

MEGHALAYA INSTITUTE OF GOVERNANCE

Meghalaya District Research Fellowship

FELLOW QUARTERLY REPORT

District Research Fellows

HOW TO USE — 3 STEPS

Step 1 Fill the COVER SHEET — enter all fields. Grey rows are completed by MIG.

Step 2 Write in the BODY — section headings are pre-printed. Write freely under each heading.

Step 3 Submit to MIG — attach evidence (photos, certificates) as appendices.

CODE	SECTION	USE WHEN
CP	Cover Page	Always — fellow details, district, quarter
WA	Work Summary	Always — overview of all work done this quarter
FV	Field Visits	If you did fieldwork with the DC
DR	Data & Research	If you collected data or produced research outputs
LC	LMS & Capacity Building	If you did LMS courses, sessions, residencies, or training
SU	Challenges & Support	If you faced issues or need support
NP	Next Quarter Plan	Always — what you plan to do next

Executive Summary

(Provide a 200–300 word overview of your key activities and achievements this quarter. Cover: main assignments from the DC, fieldwork done, data collected, reports produced, LMS courses completed, monthly sessions attended, and any significant outcomes.)

Month-by-Month Account

Month 1

(Describe your work during Month 1. Include: dates, locations visited, DC assignments completed, data collected, meetings attended, reports submitted, and any other significant work.)

--

Month 2

(Describe your work during Month 2. Include: dates, locations visited, DC assignments completed, data collected, meetings attended, reports submitted, and any other significant work.)

Month 3

(Describe your work during Month 3. Include: dates, locations visited, DC assignments completed, data collected, meetings attended, reports submitted, and any other significant work.)

Key Achievements This Quarter

(List your top 3–5 achievements or milestones this quarter. These could be: a report completed, a dataset compiled, a successful field visit, positive feedback from DC, LMS course completed, blog published, etc.)

FIELD VISITS

Data Collection & Compilation

(Describe the data you collected or compiled this quarter. What datasets did you work with? What sources did you use? How many records? What was the data for? Include any data from India Data Portal (IDP).)

Research Outputs

(Describe any research outputs: reports, analyses, dashboards, briefs, or data products. Who were they shared with? What impact did they have? Include any contributions to CDP or DDP.)

India Data Portal (IDP) Usage

(What data did you access from the India Data Portal? What analyses did you perform? What insights did you generate? How did IDP support your district work?)

LMS Coursework (ISB + iGOT)

(List the LMS courses you enrolled in or completed this quarter. Include: course name, platform (ISB LMS / iGOT), status (enrolled / in progress / completed), and any assessment scores. Courses may cover: climate change, India Data Portal, team building, leadership, psychometric tools, public policy fundamentals, etc.)

Monthly Live Sessions

(Record the monthly live online sessions you attended. Sessions are compulsory, held once a month (e.g., first Wednesday at 5:00 PM). Include: date, topic/theme, speaker, and key takeaways. Sessions may cover CDP, DDP, blog writing, capacity building, or feedback from MBDA.)

Residencies

(If you attended a residency this quarter, describe it. Residencies are 3–4 days long, held at ISB campus (Hyderabad or Mohali) or Shillong. Include: location, dates, key sessions/workshops, learnings, and networking. Four residencies over 2 years: twice at ISB, twice at Shillong.)

Blog Writing & Communication

(List any blogs, articles, or communication pieces you wrote this quarter. Blog writing is part of capacity building. Include: title, topic, where published, and any feedback received.)

Induction / Immersion Programme

(If you participated in an induction or immersion programme (10 days, Shillong), describe your experience. Monday–Friday classes, Saturday excursion, Sunday off. Focus on bonding, knowing fellow fellows, capacity building.)

1-on-1 Interaction with Policy Director

(Record your interaction with the Policy Director. Share your experiences, success stories, and lessons learned. Note any supports needed by the DC that you cannot handle on your own. SRFs and Data Scientist may be engaged to provide support.)

Challenges Faced

(Describe the challenges you faced this quarter. Categories: data access, admin approvals, technical issues, research gaps, logistics, LMS problems, DC office coordination, or any other. What was the impact? How did you try to resolve them?)

Support Needed

(What support do you need from the State Coordinator, SRF, Data Scientist, or MIG? Be specific: what do you need, from whom, and how urgent is it? Include any DC support needs that you cannot handle alone.)

SRF / Data Scientist Support Received

(What support did you receive from the SRF and Data Scientist this quarter? Was it helpful? What additional support do you need from them?)

NEXT QUARTER PLAN

Planned activities, learning goals, targets

Planned Activities

(What are your key activities planned for next quarter? Include: DC assignments expected, fieldwork planned, data collection targets, reports to be produced, CDP/DDP work, LMS courses to complete, and any upcoming residencies or training.)

Learning & Development Goals

(What skills or knowledge do you plan to develop next quarter? Technical skills (data tools, GIS, etc.), research skills (writing, analysis), domain knowledge (public policy, climate change, etc.), and any LMS courses you plan to complete.)

Residency Preparation

(Is there an upcoming residency? What preparation do you need? What topics would you like covered? Any logistics support needed?)
